# Fudgy Oreo Vegan Brownies with Peanut Butter Swirl

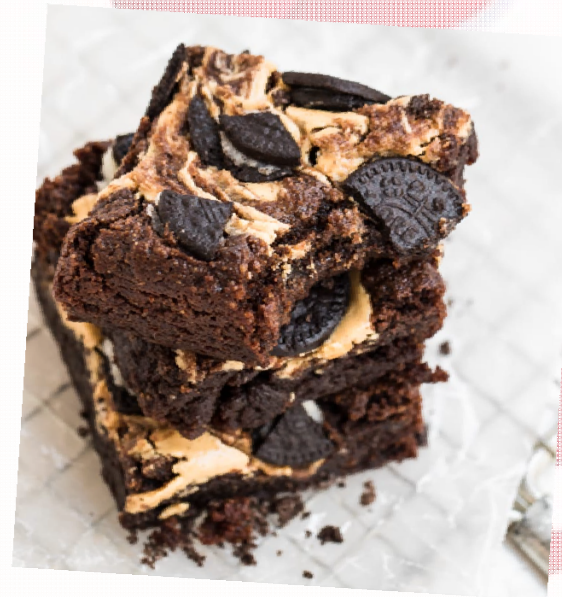

## INGREDIENTS

### FOR THE BROWNIES

1/4 c natural peanut butter  
2 tbsp maple syrup  
100g dairy-free dark chocolate  
2 tbsp coconut oil, melted  
2 flax eggs (2 tbsp flax meal + 6 tbsp water)  
1 tsp vanilla extract  
3/4 c almond flour  
2 tbsp unsweetened cocoa powder  
1/2 tsp baking soda  
1/8 tsp sea salt

### FOR THE TOPPING

10 mini Oreos, in pieces \*use gluten-free cookies if necessary  
3 tbsp natural peanut butter

## INSTRUCTIONS

Preheat oven to 350 F and prepare a 6x6 inch pan with parchment paper both ways and leave an overhang for easy removal.

First, prepare the flax egg by stirring together flax meal and water and letting sit for 10 minutes.

Next, in a microwave safe bowl, melt the chocolate and peanut butter together. Stir in the maple syrup, coconut oil and vanilla and stir until smooth.

In a large mixing bowl, stir together the almond flour, cocoa powder, salt and baking soda. Add in the chocolate mixture and flax egg and stir until a thick batter forms. Transfer batter to the prepared pan.

Next, drop dollops of peanut butter over the batter and use a knife to swirl them together. Top with Oreo pieces and bake for 14-16 minutes. Do not over bake.

The brownies will still be soft when you take them out of the oven but that's okay. Let cool completely at room temperature then chill for 1 hour before cutting into squares and serving. ENJOY!
