*Success is yours when YOU CHOOSE to create it! Success is achieved not by doing only what is comfortable and convenient. Success is built by doing what must be done to reach it. Success is achieved not by waiting until the last minute to get started. Success is created by looking ahead and working to be fully prepared. Success is achieved not by making a halfhearted effort. Success comes when there is rock-solid commitment and real, meaningful purpose. Success is achieved not by waiting for the lucky breaks. Success is built by making the most of whatever circumstances and events may come along. Success is achieved not at random. Success happens when there is a decision and an effort and a commitment to make it happen. Success is achieved not by a lucky few. Success is achieved by anyone who chooses to create it. -- Ralph Marston*

What will you achieve in these last four months? I believe in your SUCCESS!  
Love and Bee-LEFT in YOU,

*Gloria*

“Make every decision based on the **Golden Rule**, putting yourself in the other person’s shoes and trying to think how she would like to have her problem resolved if you were in her shoes and she was in yours. I guarantee you that it works.”

Are you ready to move up the career path and into a new Red Jacket? If so, then this course is for YOU. This 6 weeks eCourse is designed to help you jump start your Mary Kay business and make that leap into Red Jacket Leadership.

**NEW RED JACKETS: RADIATE IN RED**

### **Question:**

**When I sell, I just sell; when I recruit, that's all I do! How can I do both at once?**

A common lament. The dilemma occurs when we ourselves SEE selling and recruiting as separate things. Correct this in daily activities. Mary Kay Ash was our finest role model. She taught us to approach this issue with a "she learns while she earns" attitude; our prospects and new people learn while we show them how to make money!!

**We make the best us of our time when we are selling and recruiting together.**

**Working  
Full  
Circle**

### **Examples:**

1. Before the class, saying to our hostess, "Who do you know who is coming tonight who would be good doing what I do? How about YOU? I think you'd be great! Watch what I do and we will talk afterwards." (4-Point Recruiting Plan)
2. Bringing a prospect to a class as our "Assistant." She watches us earn \$\$\$ and trains at the same time.
3. Selecting at least one person at each class and offering her the opportunity to hear more, right then if possible. (4-Point Recruiting Plan)
4. Bringing agreements and literature with us to every product delivery and asking for a few minutes of her time. (Do not leave the DVD...watch it with her.)
5. Bringing prospects with us to every training meeting. We go every week anyway. This time we both learn! Always pick them up to ensure their attendance and to have valuable discussion time in the car.
6. Giving a crackerjack (sincere and enthusiastic) recruiting talk at each class. (Again, one step of Mary Kay's 4-Point Recruiting Plan)
7. Offering our customers a gift for referring someone to us who becomes a consultant. This is done anytime, anywhere! (Now you have the whole 4-Point Recruiting Plan.)

Get to work every day, and as you sell, you are looking for quality women to work with you. Make selling and recruiting inseparable partners in your rise up the success leader. Work FULL CIRCTLE and work smart. Action is the answer! Invite them to our ZOOM meeting if that's your Unit practice.

# 10 Top Recruiting Tips FOR MARCH

by Shelly Gladstein, NSD

1

**Put your honest effort in.** Don't just go through the motions—you have to put your leg over the fence and your heart over the line. Let people know you care about them—after all, they are joining YOUR team.

2

**ASK people to LISTEN.** Don't ask them to join. Tell them you have an idea that they need to explore with Mary Kay—let's do coffee—you'd like to see what they think.

3

**READ positive literature DAILY.** Don't get off that wagon.

4

**STAY excited about their possibilities.** Get them psyched about the company first, not inventory.

5

**Be a people mover!** Move them off your "maybe" list onto a "yes" or a "discard." Move ON!

6

**Appointments are guest events.** Make sure you have at least 10 guest events (shows count) in one month.

7

**Make a list** of everyone you want to BOOK and everyone you want to RECRUIT and keep it organized and growing.

8

**Be proactive about booking** 10 classes immediately. Book, double book, offer MORE. Directors, whatever you challenge your unit to do, you do it too!

9

**Have your motto** become, "let it be me that is the initiator"—and don't get distracted.

10

**Get it totally straight that you WILL get a GOLD or Double GOLD.** Have it in your head and heart and be completely purpose driven.
